

World Climate Summit Agenda

November 2016

Time	November 13	
8:00 – 9:00	Registration	
9:00 – 10:00	<p>Opening Ceremony: From 2015 to 2020: Building on The Global Deal – Climate Policy, Climate Urgency and Climate Action</p> <p>The Paris Climate Agreement from COP21 has been praised as one of biggest successes in international policy-making ever. This session will paint the overview of current programmes across climate policy, climate action and low-carbon business.</p> <p>Moderator: Yvo de Boer, Former Secretary General, Global Green Growth Institute // Panel: H.E. Dr. Hakima El Haite, Minister Delegate for the Environment, Government of Morocco and High Level Champion for Climate Action // Adnan Z. Amin, Director General, IRENA // Paul Polman, CEO, Unilever; Chairman, World Business Council for Sustainable Development // Miriem Bensalah-Chaqroun, President, General Confederation of Moroccan Enterprises</p>	
10:00-10:10	<p>'State of the Green Economy Report 2017': Presentation by H.E Saeed Mohammed Al Tayer, MD & CEO, DEWA</p>	
10:10– 11:10	<p>Session I: Tomorrow's Low Carbon Transformation: Public and Private Innovation that Transform Sectors and Industries</p> <p>The impact of key drivers for the low-carbon economy such as behavioural change, technological innovation, city leadership, and enabling of financial resources, and how they relate to national and international climate policy, is discussed and determined.</p> <p>Moderator: André Schneider, Chairman, World Climate Ltd; CEO, Geneva Airport // Panel: Lisa Davis, Member of Managing Board, Siemens AG (keynote) // Rachel Kyte, CEO, SE4ALL, Special Representative of the UN Secretary-General for Sustainable Energy for All // Jonathan Taylor, Vice President, European Investment Bank // Pierre Victoria, Sustainable Development Director, Veolia // Sonia Mezzour, General Secretary, Moroccan Energy Efficiency Agency</p>	
11:10 – 11:30	Coffee Break	
11:30 – 12:30	<p>Session II: Implementation Through Partnerships: Stimulating Collaborative and Transactional Partnerships in Light of the National Climate Plans (NDCs)</p> <p>Climate Actions have been put solidly on the agenda as necessary support for the top- down policy agreement. How can we continue towards supporting the NDCs with transactional public-private partnerships?</p> <p>Moderator: John Roome, Senior Director, Climate Change, World Bank Group // Panel: Andrew Steer, President and CEO, World Resource Institute (keynote) // Alain Ebobissé, CEO, Africa50 // Florence Castel, Executive Director, Advancity // James Grabert, Director of Sustainable Development Mechanisms, UNFCCC// Hanan</p>	<p>Session III: Corporate Sourcing of Renewable Energy: How Corporate Sourcing of Renewable Energy can Accelerate Progress towards Climate Objectives</p> <p><i>Hosted by IRENA</i></p> <p>The increasing corporate demand for cost-competitive renewable energy, its overall potential, and the enabling frameworks needed to support various forms of corporate sourcing of electricity is featured.</p> <p>Moderator: Adnan Z. Amin, Director General, IRENA // Panel: Bill Weihl, Director of Sustainability, Facebook // Ibrahim Al Zubi, Head of Sustainability, Majid Al Futtaim // Mahendra Singhi, Group CEO,</p>

	Hanzaz, Vice President, Energy, Climate and Green Economy Committee, General Confederation of Moroccan Companies	Dalmia Cement (Bharat) Limited // Marie Donnelly, Director of Renewables, Research and Innovation, Energy Efficiency, European Commission // Paul Curnow, Partner, Baker & McKenzie
12:30 – 13:30	Lunch	
13:30 – 14:30	<p>Session IV: Decarbonizing the Global Economy: Thinking Differently to Achieve a Renewable Future</p> <p><i>Hosted by IRENA</i></p> <p>Focused on a future of rapid deployment of renewables up to 2050. A discussion on trends on the broad range of renewable energy and related technologies and impacts on systems design is held.</p> <p>Moderator: Adnan Z. Amin, Director General, IRENA // Panel: Bruno Bensasson, CEO of ENGIE's Africa Business Unit // Daniel Kammen, Professor of Energy, University of California, Berkeley and Climate Science Enjoy for the US State Department // Marie Donnelly, Director of Renewables, Research and Innovation, Energy Efficiency, European Commission // Mustapha Bakkoury, Preseident, Masen</p>	<p>Workshop: The Elephant in the Room is Really a Cow</p> <p><i>Hosted by Mootral</i></p> <p>A TED- style talk about their latest global research on consumer perceptions of GHGs emissions, climate change, and solutions on carbon emission reductions.</p> <p>Moderator: Andie Stephens, Head of Footprinting, Carbon Trust // Panel: Christoph Staeuble, Group CEO, Zaluvida // Andreas Klugescheid, Head of Government Affairs, BMW // Alison Cairns, Government Relations Professional, Unilever // Michael Graz, Managing Director, Neem Biotech</p>
14:30 – 15:30	<p>Session V: Small Island Developing States: Assessing Progress on the Road from Paris</p> <p><i>Hosted by IRENA</i></p> <p>A discussion on how SIDS can advance the deployment of renewables. By taking stock of progress achieved and by profiling recent action and successes with a particular focus on public-private partnerships.</p> <p>Moderator: Adnan Z. Amin, Director-General, IRENA // Panel: Ministers from a number of Small Island Developing States // H.E. Thoriq Ibrahim, Minister of Environment and Energy, Maldives, and Chair of the Alliance of Small Islands States (AOSIS) // Hans Olav Ibrekk, Policy Director, Energy Section, Norwegian Ministry of Foreign Affairs, Norway // Karsten Sach, Director General Climate Policy, European and International Policy, Federal Ministry for Environment, Nature Conservation, Building and Nuclear Safety, Germany</p>	<p>Session VI: Finance as a Lever for Change: Innovative Finance Models that Enable those in Need; and Enable Scaling of Technology and Solutions</p> <p><i>Hosted by Climate Policy Initiative</i></p> <p>We have a fair idea of the capital needed for moving towards the 1.5 to 2 degree scenarios. Where are we on developing innovative financial solutions such as blended finance, funds and smart financing?</p> <p>Moderator: Dr. Barbara Buchner, Executive Director Climate Finance, CPI // Panel: Abyd Karmali, Managing Director, Climate Finance, Bank of America Merrill Lynch // Vikram Widge, Head, Climate Finance and Policy, IFC, The World Bank Group // Mafalda Duarte, Manager, Climate Investment Funds // Tariye Gbadegesin, Head, Heavy Industries & Telecoms, Africa Finance Corporation //</p>
15:30 – 16:00	Coffee Break	
16:00 – 17:00	<p>Session VII: Low Carbon solutions as the Business Catalyst of the 21st Century: Successful Start-ups, Great Growth Stories, and Bold Government Investments</p> <p>Successful low-carbon business models across the</p>	<p>Workshop: Making a Clean Future Real: How to Best Combine Gas and Renewables?</p> <p><i>Hosted by GasNaturally</i></p> <p>Natural gas is part of the solution to the climate</p>

	<p>"eco-system" of venture, growth and infrastructure development are considered. In particular, we look at planned and holistic approaches to develop new green business that can change the world forever.</p> <p>Moderator: <i>Stuart Neil, Senior Director External Affairs and Communications, World Energy Council // Panel: Paul Isaac Musasizi, CEO, Kiira Motors Corporations // Henri Basan, Chairman of Advancity Cluster, Advancity // Bertrand Piccard, Initiator, Chairman and Pilot, Solar Impulse // Jan Theulen, Director Alternative Resources, Global Environmental Sustainability, Heidelberg Cement // Jan Kelleth, Special Advisor for External Engagement, UNDP</i></p>	<p>challenge: its combination with renewable energy sources (solar, wind) can help countries deliver on their Paris commitments (INDCs).</p> <p>Moderator: <i>Alessandro Torello, Communication Manager, IOGP // Panel: Gilles Pargneaux, Member of the European Parliament // Jean-François Gagné, Head of Energy Technology Policy Division, Directorate of Sustainability, Technology and Outlooks, International Energy Agency // Christian Grossmann, Director, Climate Change, IFC World Bank Group // François-Régis Mouton, Chairman, GasNaturally // Kane Thornton, CEO of Clean Energy Council Australia</i></p>
<p>17:00 – 18:00</p>	<p>Closing Ceremony: Global Leadership for the New Climate Economy: Ambitions + Resource Efficiency All the Way!</p> <p>The low-carbon economy requires strong leadership across governments, businesses, and financial institutions. How do we integrate and strengthen this leadership? How do we move to real systemic change and thinking in terms of behaviour and new eco-systems of green venture, green growth and green infrastructure?</p> <p>Moderator: <i>Gino van Begin, Secretary General, ICLEI // Panel H.E. Mohamed Boussaid, Minister of Economy and Finance, Government of Morocco // Akon, Co-founder of Solektra International // Paul Simpson, CEO, CDP // TBC</i></p> <p>Conclusions: <i>André Schneider, Chairman, World Climate Ltd.; CEO, Geneva Airport // Stéphanie Gay, Director of World Efficiency Solutions, Reed Expositions France</i></p>
